THE MAROON

YEAR OF 1945

Fixed in the deed of their brave endeavor,
Guarding the banner that blows above,
Lo, these generous youths forever,
Offered their lives for the land they loved!
Shrined as it were on their country's altar
Ever they'll speak though their lips be dumb,
Bidding us never to fail or falter,
Whatsoever a foe may come!
Shrined as it were on their country's altar
Here let them stand as the years go by,
Symbol of courage too firm to falter,
Symbol of love too dear to die!

THE CENTENARY COMMEMORATION

THE Centenary Commemoration of the death of Brother Edmund Ignatius Rice opened as Most Rev. Joseph M. Gilmore, Bishop of the Diocese of Helena, pontificated assisted by priests of his diocese. Among them were the Very Rev. W. P. Joyce, Dean of the Butte Conference of the Catholic Clergy, Arch Priest; the Rev. M. M. English and the Rev. Peter MacDonald, Deacons of Honor; the Rev. Charles McCarthy, Deacon; the Rev. Emmett O'Neill, Anaconda, Subdeacon; the Rev. Bernard Sullivan, Anaconda, and the Rev. Eamonn O'Sullivan, Acolytes; the Rev. Thomas Gannon, Helena, Thurifer; the Rev. Thomas Fenlon, Boat Bearer; the Rev. William Molloy and the Rev. Joseph Mackin, Book and Candle Bearers; the Very Rev. John Sullivan, Helena, and the Rev. Thomas Rodney, Masters of Ceremonies.

The panegyric was delivered by the Rev. John A. Delane, pastor of St. Mary's Church in Helena.

On Tuesday evening, October 17, clergy and laity assembled and filled the large banquet room of the Hotel Finlen to pay further tribute to the Congregation. Chairman for the occasion was Robert J. McCarthy, graduate of the class of 1943 and Navy V-12 student. The address of welcome was given by Mayor Barry O'Leary. Principal speakers for the occasion were: Rev. James Coleman Linehan, Ph. D., Professor of Philosophy at St. Edward's Seminary, Seattle, Washington; D. M. Kelly, vice-president in charge of western operations for the Anaconda Copper Company; and the Most Rev. Joseph M. Gilmore, Bishop of Helena. Mr. Lowell Johnson, City Superintendent of Schools, extended greetings to the Brothers on behalf of the Public School System of Butte.

CLASS HISTORY

FOUR years of varied activity have passed by all too quickly. The class finds itself ready for the long-awaited event—graduation from high school. It is highly appropriate, we believe, that our record be preserved for posterity.

In September of 1941, exuberant and hopeful, we entered Central. While looked upon by upperclassmen as a tremendous liability to the mental balance and integrity of the institution we soon commanded the respect of the skeptics as many members of our class won places on the Freshmen Honor Roll, an achievement sustained throughout their entire high school course by Raymond D. Burns, Thomas A. Clinch, Patrick M. Harstead, Robert J. Labrie, Robert J. Lind, Henry A. Plott, William B. Scully, and James D. Smyth, a splendid tribute to their scholastic ability, industry, and persevering effort. It is not without pride that we point to the marked improvement made in our school band during our years at Central for which members of our class, Clinch, Lind, Duffy, Riley, and Scully, deserve a notable share of the credit. In the oratorical and essay-writing fields traditions were creditably maintained by McGregor, McBride, Harstead, and Clinch.

On the gridiron Carroll, Dougherty, Lee, Riley, and Rooney upheld the honor of the class and by their spirit and determination brought credit to their school when, under trying circumstances, the burden of maintaining Central's football traditions was placed on their shoulders during their senior year. But in the field of athletics it was on the basketball floor that our class brought Central its greatest glory as Kelly, Burchell, Dennehy and Dennehy, White, and Hughes brought Central its first Montana Big 16 Conference Championship and took first-place honors in the first Tri-State Tournament ever conducted in the city of Butte. In intramural competition Combo and Harstead were champions in handball and pingpong respectively.

Imbued with deep love of Central High School and with gratitude to the Brothers we regretfully but confidently entrust Central's heritage to the class of nineteen forty-six.

A THOUGHT FOR THE FUTURE

"Therefore be strong, be strong,
Ye that remain, nor fruitlessly revolve,
Darkling, the riddles which ye cannot solve,
But do the works that unto you belong;
Believing that for every mystery,
For all the death, the darkness, and the curse
Of this dim universe,
Needs a solution full of love must be:
And that the way whereby ye may attain
Nearest to this, is not thro' broodings vain,
And half-rebellious questionings of God,
But by a patient seeking to fulfill
The purpose of His everlasting Will;
Treading the path which lowly men have trod."

REV. EAMONN O'SULLIVAN

ST. GABRIEL'S DAY

ON the afternoon of February 26 the Rev. Eamonn O'Sullivan of the class of '37 delivered the annual St. Gabriel's Day Address to the student body. He very eloquently enumerated some of the virtues of St. Gabriel, patron of Boys' Central High School, and pointed out this saintly Passionist as a model for the modern high-school boy. The following morning Father O'Sullivan offered the Mass of St. Gabriel for the graduates who were in armed forces. The student body offered Communion for this same purpose.

THE ANNUAL RETREAT

A DEPARTURE from the usual procedure marked the annual student Retreat of 1945. Freshmen and Sophomore students received their conferences from the Rev. Emmett J. O'Neill, Central graduate of the Class of '32. Seniors and Juniors received their conferences from the Rev. Norbert C. Hoff, experienced teacher and counselor of boys. Sincerity and enthusiasm were very evident characteristics of the retreat and the inspiration received from both priests who gave unstintingly of their time and energy was deeply appreciated by the students.

REV. NORBERT HOFF

REV. EMMETT O'NEILL

COMMEMORATIONS

SPECIAL occasions throughout the year were marked by commemoration programs.

Mr. Earle Genzberger representing Silver Bow Post No. 1 of the American Legion was inspiring in his Armistice Day Address as he paid tribute to the men of the armed forces of World War II and to the veterans of World War I. He emphasized the generosity and courage of the men and women who were giving everything that we might continue to enjoy liberty.

On Washington's Day Principal Brother Murtagh was brief but very instructive in his remarks on Washington's character. This occasion was further marked by a free afternoon.

Lincoln's Day Commemoration which was postponed to February 27 awaiting the arrival of Dr. Louis A. Warren in the city of Butte was highlighted by the scholarly and enlightening address on "Lincoln, His Determination to Excel." Dr. Warren, head of the Lincoln Foundation, gave evidence of extensive knowledge of Lincoln's life and character. His remarks on Lincoln's character were interpolated by instructive and interesting anecdotes of practical historical value.

Captain McKnight, on the occasion of the visit of the ladies of the G. A. R., was forceful as he emphasized the need of completing high school education before entering the armed forces. A soldier from the age of fifteen, Captain McKnight spoke from experience and with authority. Chairman W. R. Van Orden, veteran of the Spanish-American War, and Veteran William Gilbert of World War I corroborated Captain McKnight's advice.

BAND

THE energy and ability of its conductor, Mr. Martin Cesare, the interest of its moderator, Rev. T. B. Regan, and the efforts of the band members themselves all contributed toward making the 1944-1945 season one of the most successful in the band history. Demands were made on the organization during both football and basketball seasons. Programs during that time consisted of popular tunes and marches. With the end of the athletic season serious concert works were begun. Among them were, "Selections from the Student Prince" by Romberg, "Alda Overture" by McCaughey, "Rose Marie" by Friml, "Medley of Irish Airs," and "Selections from Maritana" by Wallace. These compositions were played at appearances at the K. of C. in Anaconda, the Pioneer Club in Butte, the St. Patrick's Day Concert, the Spring Meeting of the Town Club, and at Commencement Exercises.

"A" FOOTBALL

THE 1944 football season saw the inauguration of a new training program at Boys' Central. Handicapped by a dearth of experienced players, Brother P. J. Sullivan and Brother J. C. Neylon were forced to select their material largely from the ranks of Sophomores and Freshmen. The courage and determination of the coaches and the enthusiasm of the players were put to a severe test in the season's opener which found them pitted against the Bulldogs of Butte Public High School. Despite this slaughter, spirit remained high and hard work was continued as the light and youthful squad got ready to face one of the strongest teams of the Northwest, the Bullpups of Gonzaga. The fact that the strong Anaconda and Havre elevens were still to be faced was not heartening for coaches or players. But the Maroons staved with the grind and their hard work and good spirit were rewarded by victories over Anaconda Central, Bozeman, and Livingston. While the scoreboard in 1944 gave little reason for rejoicing, the evident results of the season's training and the noticeable ability of the younger players created enthusiasm among Central fans as they looked forward with brighter hopes to the season of 1945 when eighteen of these who "took it on the chin" will again carry the colors for Central High School.

"B" FOOTBALL

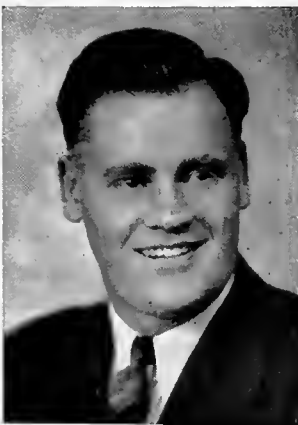

WHILE Brothers Sullivan and Neylon were at work at the Emmett St. Field, followers of the gridiron sport watched with keen interest at the "Cinders" as Tom Tobin and Ed Foley with their squad of forty Freshmen and Sophomores gave Central its first "B" Team, the training of which was made possible by the generous donations and wholehearted support of the Round Table.

MR. EDWARD SIMONICH

BROTHER J. B. WALSH

"A" BASKETBALL

LATE in October, Brother M. C. Murtagh, Principal, announced that Ed Simonich would take over his duties as coach of football and basketball at Central High School on December first. Ed is no stranger to the sports world of Montana. After playing three years of varsity football at Notre Dame where he was outstanding as fullback in '36, '37, and '38 he took over his duties as coach at Carroll College, Helena, Montana, where teams under his direction won football and basketball conference championships.

Mr. Simonich, starting his coaching career at Central, was blessed with some fine basketball material which, under his able direction, got off to a fast start as they took first place in the Tri-State Tournament sponsored by the Round Table. After a fine beginning they continued their season, thrilling capacity crowds as they went on to win first place in the Montana Big 16 Conference, a distinction which Central holds for the first time in its history.

As the 1944-1945 basketball season ended, Montana basketball fans and coaches acclaimed "Jumping Joe" Kelly "sensational." To quote sports writer Campbell of the Great Falls Tribune, "In the past three years, Jumpin' Joe has scorched the twine in Montana high school gymnasiums while carrying the colors of Boys' Central of Butte. He played well as a sophomore, was outstanding as an all-stater last year, but this winter his achievements have blazed across the sports horizon like Halley's comet. Too much could not be said in honor of Kelly, for coaches, players and oldtime sports followers recognize him as the greatest scholastic basketball player in the state's history." But Centralites will remember Joe not so much for what he has done but for what he is, a fine sport and a gentleman.

"B" BASKETBALL

Building the foundations for future basketball teams at Central, Rev. Br. J. B. Walsh gave untiringly of his time, energy, and ability to produce a B team that gave evidence that the foundation was well laid.

INTRAMURAL BASKETBALL

Mr. Simonich and Brother Walsh did not confine their efforts to specialists in the field but also organized and conducted intramural games during the season which gave opportunity to less talented players.

TUMBLING

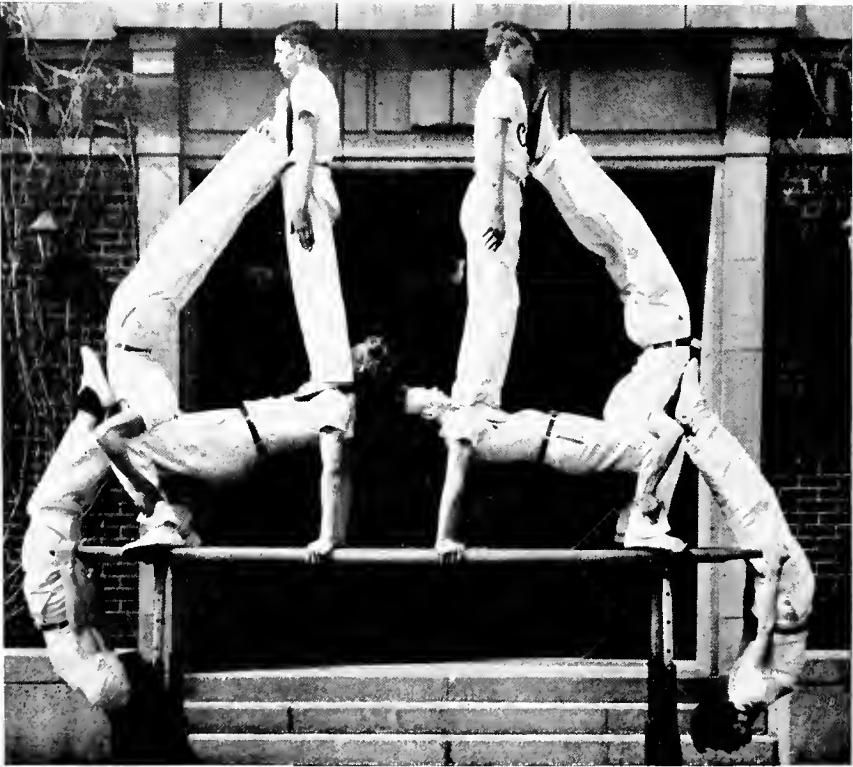

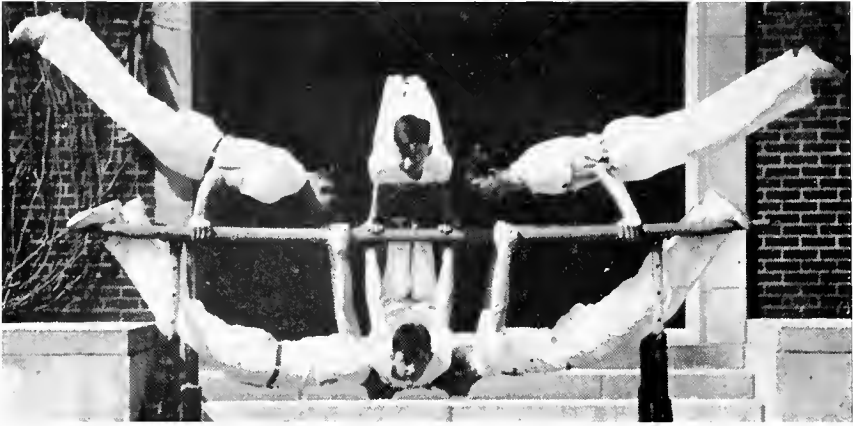

ONE of the most popular athletic organizations at Central is the Tumbling Team. Its exhibitions, models of fine co-ordination and teamwork, will surely make you want to return for more. Clad in dazzling white uniforms, a thrilling performance is their one and only standard. Under the able direction of Rev. Br. T. B. Regan the boys have merited the praise and plaudits of experts and onlookers alike as one of the finest tumbling organizations in Montana. This year the team made appearances at K. of C. in Anaconda, the Pioneers Club in Butte, the Machinists' Union, the Electricians' Union, the Carpenters' Union, the spring meeting of the Town Club, most of the basketball games of the season, and at the Commencement Exercises.

Although the cost of most things have gone up, and many are rationed, there is plenty electric power for all needs at lower rates than ever before.

Far sighted, business management prepared, not for war, but for a lower electric demand. When war came, we were ready.

Competitive enterprise, business managed, has made America the production center of the world—keep America competitive and free!

MAKE YOUR HOME ATTRACTIVE—IT'S TIME TO
PAINT-UP CLEAN-UP
FIX-UP

This coming summer everyone of us will be spending more time at home. Of necessity, the family car will be given rest periods. To really enjoy "home" make each room fresh, attractive, comfortable. Do something about the lawn and garden—paint the house, garage, fence, or shed—**clean-up, fix-up.**
